

APPLELAND'S APPLE VARIETIES

VARIETY		FLAVOR & TEXTURE	BEST USES					AVAILABLE FOR SALE	SPECIAL HINTS
			FRESH	SALADS	BAKING	SAUCES	FREEZING		
	CORTLAND	Sweet with a hint of tartness, juicy and white flesh						Mid September	Cortland apples are wonderful for fruit plates and garnishes because they don't turn brown quickly when cut.
	EMPIRE	More sweet than tart, extra crisp, white flesh						Early - Mid October	Small Empire are great for school lunches. Kids love their sweetness and crunchy texture!
	FUJI	Very sweet, firm, crisp and juicy						Early October	Fuji applesauce needs little to no sugar.
	GALA	Sweet with crisp yellow flesh						Mid - Late September	Gala's size, mellow flavor & thin skin make them perfect for kids.
	GINGER GOLD	Sweet, but mildly tart, Fine textured, crisp cream colored flesh						Early September	Very slow to turn brown, so it's an excellent choice for any fresh cut apple use.
	GOLDEN DELICIOUS	Sweet and mellow, crisp and juicy						Mid October	You can reduce the amount of sugar needed when baking or making sauce with Golden Delicious apples.
	HONEYCRISP	Sweet, tart and extremely juicy and crisp.						Mid September	
	IDA RED	Equally sweet & tart, firm pale yellow flesh, sometimes tinted rosy pink						Mid - Late October	Idareds make a beautiful pink applesauce. Cook the apples with the skins on and strain the sauce to get the best pink color.
	JONAGOLD	Aromatic honey-like flavor notes and tangy-sweet, creamy pale yellow flesh						Early October	
	JONATHAN	Sweet and tart						Mid October	
	MCINTOSH	Slightly tart, crisp and very juicy						Early - Mid September	McIntosh's tender flesh cooks down quickly. Add a thickener if making a pie.
	PAULA RED	Tart, juicy, crisp white flesh						Late August	
	RED DELICIOUS	Sweet, crisp yellow flesh, juicy						Mid October	Red Delicious apples look great for a long time so they are a top choice for holiday centerpieces& wreaths.
	SNOW SWEET	Deliciously sweet, slightly tart taste, snow white flesh and crisp						Mid October	SnowSweet's white flesh is very slow to brown when cut, making it great for salads.
	SONATA (PINATA)	Crisp and juicy - classic apple flavors with a tropical twist						Early - Mid October	The Pinata apple stores exceptionally well.
	ZESTAR	Early season apple with a good crisp sweet-tart flavor						Late August
